The reply filed on December 20, 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant's response to the restriction/election requirement did not include an election of a single/specifically disclosed species from under the elected Group as requested (i.e., a single compound which names or identifies a specific glucocorticoid, linking group and incorporating molecular as exemplified by the specification). Applicant is required to give the examiner a single disclosed compound from under the elected Group for search purposes. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
